Meet the Trainer!

Tiffany Miller is a Central Michigan University graduate (2017), with a bachelor's degree in applied arts with concentrations in Family Studies & Child Development. She has a career background in child welfare in roles of foster care, adoption and licensing. Tiffany is currently a Foster Care Navigator & GROW Trainer with Family Bound's Region 3 Resource Team. Over the years, she has become a strong advocate for foster, adoptive and kinship children/families and has years of knowledge and experience navigating many systems, courts, educational needs, trauma, and medical, genetic, behavioral diagnoses and more! Tiffany and her husband, Jared, have been licensed foster parents since 2023 and are currently a family of 8.
